Handwritten text, mostly illegible due to extreme darkness and noise. Some faint words like "THE" and "AND" are visible.

Printed text at the bottom of the page, likely a footer or signature line. It appears to contain the name "J. M. [illegible]" and some other text.

The following information was obtained from the records of the [redacted] Department of the Interior, Bureau of Land Management, regarding the [redacted] land grant.

[The remainder of the page contains several paragraphs of extremely faint, illegible text.]

1. The first of these is the fact that the number of people who are employed in the service of the State is increasing at a rapid rate. This is due to the fact that the State is becoming more and more dependent upon the services of its citizens, and is therefore employing more and more of them. This is a very important fact, as it shows that the State is becoming more and more dependent upon its citizens, and is therefore employing more and more of them.
